Ozzy reveals diagnosis of Parkinson's

OZZY Osbourne has revealed that he has been diagnosed with Parkinson's disease. The Black Sabbath frontman and reality TV star, 71, said it was discovered that he had the neurodegenerative disorder after a fall.

He explained: "I did my last show New Year's Eve at The Forum. Then I had a bad fall. I had to have surgery on my neck, which screwed all my nerves and I found out that I have a mild form."

His wife Sharon, who is also his manager, added: "There's so many different types of Parkinson's, it's not a death sentence by any stretch, but it does affect certain nerves in your body. And it's like you have a good day then a really bad day."

Ozzy continued: "I'm on a host of meds, mainly for the surgery. I got a numbness down this arm for the surgery, my legs keep going cold."

Jess drops out of Labour race

JESS Phillips has dropped out of the Labour leadership contest, leaving four candidates in the race to succeed Jeremy Corbyn.

In a video message to supporters, the Birmingham Yardley MP argued the next leader had to be able to unite the whole Labour movement, adding "that person is not me."

Candidates are vying for union endorsements, with the GMB set to announce who it is supporting shortly.

Ms Phillips missed a hustings organised by the union yesterday, prompting speculation her campaign was in trouble.

WARNING: Harry and Meg

HARRY & MEG'S THREAT TO SNAPPAS

THE Duke and Duchess of Sussex have issued a warning over continued harassment by paparazzi snappas as they start their new life in Canada.

It comes after images of Meghan were published in the media showing her taking a stroll through a public park on Vancouver Island.

The duchess can be seen smiling as she walks along with Archie and her two dogs.

Lawyers for the couple claim the photographer was hiding in the bushes spying on her.

They also claim there were attempts to snap them in their home using long range lenses and that paps were permanently camped outside their home.

It comes days after Harry and Meghan agreed a deal to step away from the Royal Family.

In a speech at a dinner for supporters of his Sentebale charity, the prince said the decision was made as they wanted to lead a "peaceful life".

Harry and Meghan's lawyers also highlighted safety concerns about how the paparazzi had

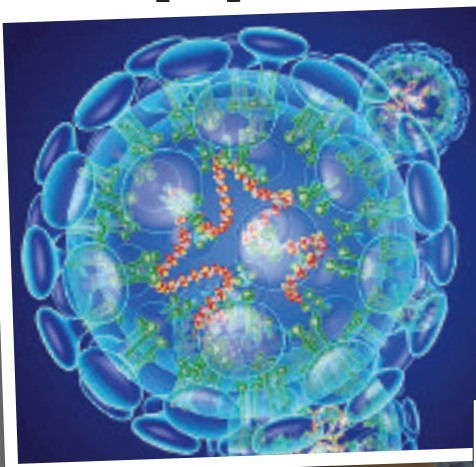

been driving in Canada.

Prince Harry's mum, Diana, died on August 31, 1997 after the car she was in crashed into a concrete pillar in a Paris tunnel, apparently whilst trying to flee paparazzi photographers.

Harry referenced this in his speech on Sunday, adding: "When I lost my mum 23 years ago, you took me under your wing. You've looked out for me for so long, but the media is a powerful force, and my hope is one day our collective support for each other can be more powerful."

DEADLY STRAIN: Chinese deal with infected woman

- **Terror as Chinese death bug sweeps the world**
- **Boffins expect 'vast numbers' to be infected**
- **Plans are 'in place' for mass cremations**

AUTHORITIES are braced to place "massive" orders for body bags and even plan mass BONFIRES for dead bodies if the Chinese death bug turns into a UK epidemic.

It's feared the deadly coronavirus - which has so far killed six and laid low more than 300 people - could be on its way here after officials found it could be spread by saliva.

China's National Health Commission confirmed that the never-before-seen bug had spread and could sweep around the world in days, infecting "vast numbers" of people.

A source said: "This is a nightmare scenario. A killer disease that spreads as easily as the common cold. Forget global warning. We're all

going to be DEAD before the sea levels rise."

Taiwan yesterday confirmed its first case of the lethal bug, which has killed six in the Chinese megacity of Wuhan, home to 11million people.

The news came as the mayor of Wuhan - at the centre of the outbreak - announced two more victims of the lethal SARS-like infection.

Timebomb

The huge numbers of people there make it an ideal breeding ground for new bugs and low standards of hygiene make it a "biological timebomb", say boffins.

But cases have also cropped up in Thailand, South Korea, Japan, Australia and the Philippines.

World Health Organisation officials will be holding an emergency meeting later in the week to discuss the outbreak, with cases having risen six-fold in the space of days.

Officials in the UK have told NHS hospitals how to deal with potential cases, as fears grow that the outbreak will spread over the Chinese New Year holidays, when millions of Chinese residents are set to travel.

In London, contingency plans have been drawn up that include building up reserves of body bags and decontamination units.

If the plague goes critical, local authorities will be expected to build huge foot-and-mouth-style funeral pyres on which corpses can be incinerated.

A source said: "We're looking through the gates of Hell. We could all die."

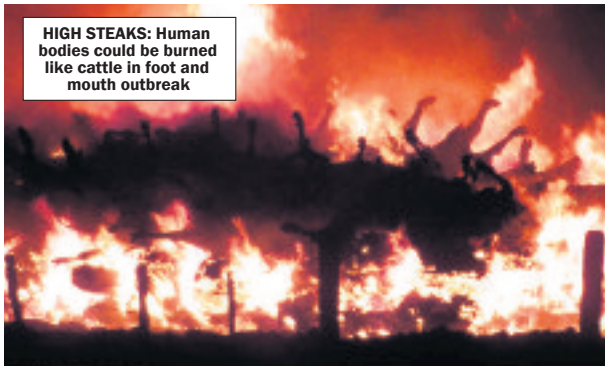

Professor Zhong Nanshan, leader of China's National Health Commission's expert team, revealed the virus is likely to be spread by saliva in a press conference.

He told the meeting: "As of now, it is affirmative that the new strain of coronavirus can be passed between humans."

"The virus is spread through respiratory system and distance of impact is not long, but it is possible the virus was passed after being stuck to saliva."

Professor Nanshan said officials must "quarantine the patients and stop them from contacting others".

Stock markets in China and Hong Kong dipped amid fears tourists will stay away, despite being told not to panic.

It's not unusual...

PARK 'N' RIDE: Shaughna bonked as Tom (above) sang

LOVE Island babe Shaughna Phillips once had sex while Sir Tom Jones was singing in front of her.

She made the confession when she asked boyfriend Callum Jones where was the weirdest place he's romped.

He replied: "Not really that weird, to be honest, because I'm not one of them. Just cars."

Democratic services officer Shaughna then admitted: "I've had sex in a park and, in the background, Tom Jones was playing live."

Meanwhile, Siânise Fudge revealed that her favourite sex position is the "anvil".

She told Connor Durman: "Where the boy's on top, my legs are on his shoulders. I had to Google that."

KNOX IN JAIL KIT AGAIN

AMANDA Knox has sparked outrage after posing in the prison uniform she wore while serving a sentence for the murder of Meredith Kercher.

Foxy Knoxy (right), 32, said in an Instagram post: "I'm wearing my old prison uniform. Literally the very same sweatshirt and sweatpants I lived in in Casa Circondariale Capanne, Perugia."

Among angry responses, one wrote: "This is sick AF."

Knox was convicted of the murder of Meredith Kercher in 2009, but the conviction was overturned in 2011.

Parents of tragic Nora sue resort

THE family of a London teenager found dead after she disappeared from a Malaysian nature resort last year is suing the site's owner for alleged negligence.

Nora Anne Quoirin's disappearance from her family's cottage at the Dusun eco-resort in Negeri Sembilan state on August 4 sparked a huge search operation.

Her naked body was later discovered beside a small stream about a mile and a half from the resort.

Police have said there was no sign the 15-year-old had been abducted or raped but a lawyer for Nora's parents, Meabh and Sebastien, said they believed she was.

The resort gate was left open at all times without any security, the legal papers said.

Nora had poor motor skills and needed help to walk, her parents said in the claim.

They are seeking £34,000 over losses, bereavement costs and damages for suffering from the resort owner, Helen Marion Todd.

Lie detectors bid in plans to catch terror 'sleepers'

THE Justice Secretary has defended plans to make terrorists take a lie detector test to prove they have reformed and are not planning to carry out another attack.

Plans to introduce "polygraph testing" were announced by the Government as part of a wave of measures being described as a "major overhaul" in the way terrorists are punished and monitored in the wake of the London Bridge attack.

When questions were raised over their accuracy, Robert Buckland insisted detectors were important to identify "sleepers".

He said: "You can get people who are in effect sleepers for many years and then suddenly back come the hatreds and the prejudices and we see atrocities like the one we did at Fishmongers' Hall."

He also said he no longer dates women under 35 as they are 'too woke' and most of them are 'absolutely bonkers'.

TRUMP REJECTS 'APOCALYPSE' CALLS

PRESIDENT Trump has blasted climate "prophets of doom" in a speech at the World Economic Forum in Davos.

He called for a rejection of "predictions of the apocalypse" and said the US would defend its economy.

Trump (left) did not directly name the teenage climate activist Greta

Thunberg, who was also in the audience.

She then later publicly criticised political leaders, saying the world "in case you hadn't noticed, is currently on fire".

Environmental destruction is at the top of the agenda at the annual summit of the world's decision-makers, which takes place at a

Swiss ski resort.

In his keynote speech, Mr Trump said that it was a time for optimism, not pessimism, in a speech that touted his administration's economic achievements and America's energy boom.

Speaking of climate activists, he said: "These alarmists always demand the same thing – absolute

power to dominate, transform and control every aspect of our lives."

They were, he said, "the heirs of yesterday's foolish fortune tellers".

Greta, 17 (right) – the Swedish climate activist who led a global movement of school strikes calling for urgent environmental action – spoke soon afterwards.

Shilton was 'addicted to gambling'

ENGLAND great Peter Shilton has revealed he spent 45 years as a gambling addict.

The ex-goalkeeper – England's most capped male footballer – said it took losing tens of thousands of pounds before he was able to stop.

"I've won at most things in my life, in terms of my career, but I've never won at gambling," he said.

Shilton, 70, said online gambling caused his addiction to worsen and he decided to blab after revelations about football's close ties to betting firms – 27 of England's top 44 clubs now have a gambling company for their shirt sponsor.

He said his recovery started after his wife, Steph, confronted him with bank statements showing his losses.

He told her: "I'm losing and I'm worried I'm going to lose you."

Shilton (above) finally kicked his addiction to gambling in 2015.

Weirdo accidentally filmed own face in sick video clip

AN upskirt pervert targeted schoolgirls and women on escalators at supermarkets, shopping centres and train stations.

Daniel Jones secretly filmed eight young women in a crime known as "upskirting".

He amassed more than 400 videos and photos, but accidentally recorded his own face on one of the clips.

Police found his iPhone had a "covert camera" app, which allowed it to record or take pictures without the screen being active.

Cubicle

Liverpool Crown Court heard it was likely he used this to film a woman getting changed, by pushing it under a cubicle at a shop.

Jones, of Rainhill, Merseyside, was caught after an incident at a

Tesco store in St Helens, in May 2018.

Prosecutor Paul Blasbery said a woman in "a distressed state" called police and said a man had taken photos up her skirt.

Security guards said he was "messing with his phone" and "clearly trying to do something" while being detained at the store.

Police arrived and viewed CCTV, which showed Jones pointing a phone at a woman, who was bending over looking at clothes.

However, no pictures of the woman were found on his iPhone and when arrested, Jones gave no comment.

Officers later seized a laptop, pen drive and PC from his home, which experts examined, along with the phone.

Voyeurism

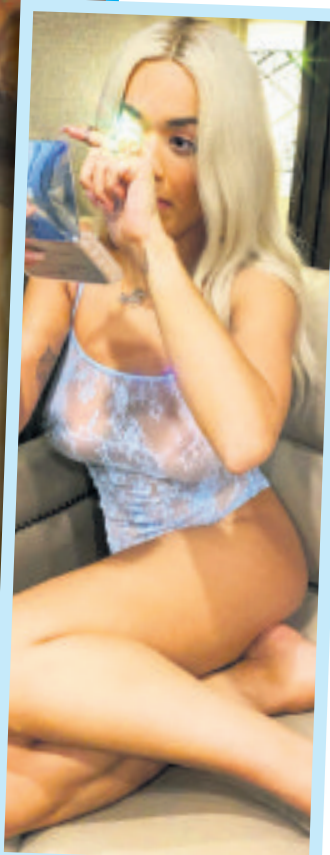

Mr Blasbery said: "They found a large amount of photos and videos all of a voyeurism type nature, with the user of the phone filming up the skirts of females at various locations."

Jones admitted an act outraging public decency and pleaded guilty to taking eight indecent photographs and one count of voyeurism.

Jailing him for 12 months, Judge Denis Watson QC also told Jones to sign the Sex Offenders' Register and comply with a Sexual Harm Prevention Order for a decade.

Uni's probe into film of pair bonking 'on campus'

BIRMINGHAM City University is probing claims a shocking video which appears to show a couple having sex was filmed on its campus.

Footage of two people romping in a room was posted on social media alongside the allegation it was recorded on a university site.

The recording shows them appear to have sex behind a partially-frosted glass door. But the plain glass segment fails to hide them at it.

The short clip, which lasts just 17 seconds, was posted to social media on Monday morning and has since been widely circulated.

BCU, which has three campuses across the city, said it was aware of the footage and was currently investigating it.

A BCU spokesperson said: "We are aware of footage being circulated online of an incident which is claimed to have taken place on one of our campuses.

"We are investigating the footage and its origins, in order to identify its location and establish whether there has been a breach of university policy.

"Action will be taken if it is found anyone has acted in breach of university policies, or, if the police believe a crime has been committed, the law."

SEX-SWAP NAVY DIVER: I DON'T HAVE THE BALLS TO GROW DOPE

Transition sent Brenda deep into debt, court told

By COLIN HURST news@sundaysport.co.uk

A TRANSGENDER woman caught minding a valuable cannabis crop told a judge she "didn't have the balls" to run such an enterprise herself.

Former Navy diver Brenda Law, 64, admitted cultivating cannabis at Liverpool Crown Court.

Formerly known as Brendan while serving in the Royal Navy for nine years, Law told how she had been approached by two men to allow cannabis to be grown in her home for 10 weeks in return for £5,000.

Facing mounting debts – largely because of her expensive ongoing "transitioning" costs – she agreed but explained to the court that she did not realise the scale of the proposed farm.

Smoker

Although one of the ruthless criminals mentioned a growing tent, she said she "did not expect it to be large enough to park a car."

The court heard that Law has a previous conviction 15 years ago for possessing cannabis with intent to supply.

And and it was suggested by prosecutor Nardeen Nemat that she would know how to grow and sell the drug.

But she said that while she used to be a heavy cannabis smoker, she had given up the habit four years ago.

"I was in the process of smoking myself to death. I was trying to find mental head space having the challenge of my life," she said.

Brenda, who has now been "transitioning" for four years, said she would not know anyone to sell weed to, adding: "I haven't got the balls to grow it myself."

She agreed to water and feed the illicit cannabis farm as she was desperate for

money, having rent arrears and a £2,000 debt for electrolysis.

She had also spent money improving her home in Southport – where police found the farm – and on facial botox, fillers and learning about fashion

and make-up to help in her new life.

"I regret bumping into those fellows," she said.

Law was given a 20 months jail term, suspended for two years, and ordered to carry out 30 days rehabilitation activities.

Man arrested in bull pen murder

A MAN has been arrested on suspicion of murder following the discovery of a woman's body in a farm's bull pen.

A post-mortem exam was took place last week at the Royal Devon and Exeter Hospital and as a result a murder inquiry was launched.

Devon and Cornwall Police confirmed a local man aged 26 is in custody.

VEGAN RIMMED BY PITBULL CALLED RALPH

By BRAD CHADWICK
news@sundaysport.co.uk

A MAN called 'Sexy Vegan' has appeared in court for sharing a video of his pet pit bull dog performing a sex act on him.

Vegan, who was born Hansel DeBartolo III, pleaded no contest to a charge of disturbing the peace at a court in Newhall, California.

The video, shared last December, showed Vegan's dog licking his backside.

The 37-year-old perv was sentenced to two years' probation, 100 hours of community service, and must complete a 52-week sex offender programme.

Bestiality

Commenting after the sentencing hearing, Santa Clarita Sheriff's spokesman Shirley Miller said: "Officers found a video on social media of the suspect performing an act of bestiality."

"Vegan posted a clip on social media depicting a pit bull licking the defendant's rear end."

Vegan's dogs, including the one included in the vid - believed to be called Ralph - were seized by officials, and will not be returned to him.

The convicted criminal, who has his assumed name tattooed on his face, was also barred from keeping pets for the duration of his probation.

If Vegan had avoided striking a plea deal and

gone to trial, he could have faced up to 12 months in prison.

The animal abuser has twice appeared on the *Dr Phil* TV show in the US alongside angry family members.

His relatives have previously complained of him dancing publicly in skimpy clothing, carrying a full-length mirror around in public, and getting into trouble with the police.

POLICE: WE'VE GOT PILLOWCASE RAPIST

COPS believe they have caught a notorious serial sex attacker - dubbed the Pillowcase Rapist - who subjected women to a reign of terror in the 1980s.

Robert Koehler, 60, a registered sex offender, was arrested in Palm Bay, Florida.

He has a sexual battery conviction from 1991 in Palm Beach County.

It is not known what led to his arrest, but a number of cold cases have been solved in recent years thanks to a breakthrough in DNA testing and genealogical data stored on ancestry websites.

The Pillowcase Rapist broke into homes in South Florida between May 1981 and February 1986. He hid his identity

SAME MAN? Koehler and artist's impression

with pillowcases, towels or shirts before sexually assaulting at least 44 women.

Police failed to get a result from their investigation and it was shelved in 1987.

But one woman did see his face. She had convinced him she

couldn't see his face without her glasses and studied him during the rape, despite a knife being at her throat.

From the description, a police artist created a drawing that was circulated throughout Coconut Grove, South Miami and Hollywood.

Girls use 'workouts' as alibi for cheating

By GRACE HOOPER news@sundaysport.co.uk

THE top ten cheating alibis for men and women having an affair have been revealed.

Women's favourite lie to cover up a secret lover is to say they have gone to the gym.

Men's most popular way to hide the fact they are cheating is to say that they are watching football.

The results are revealed in a new survey of 2,000 people, split evenly among the sexes, by IllicitEncounters.com, the UK's leading dating site for married people.

The second most popular female excuse is a night out with the girls and in third place is the need to work late in the office.

Socialising after work is the fourth most popular female cover for an affair and in fifth place is walking the dog.

Men use several different excuses to women for covering up their betrayal, with sport filling three of the top ten places.

Football is top and a round of golf came second – largely because this takes several hours and allows lots of time with an illicit lover.

Suspicious

In third place on the men's list was working late in the office and socialising after work came fourth.

The fifth most popular male excuse was a boys' night out.

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "It's no surprise that men and women use different excuses for covering up their affairs.

by far the most popular excuse with women, but only seventh on the male list.

"If your partner significantly increases their gym activity, you have every right to be suspicious.

"Gyms are hotbeds for affairs and people cheating on their partners are much more body conscious.

"Cheats will also use friends to cover their tracks. Many cheats' friends are aware of

their affairs and are prepared to lie for their mates to help disguise their betrayal."

IllicitEncounters' subscriptions rocket by as much as 25% in the

first three months of the year as unhappy spouses decide to shake up their lives with an affair.

Britain's divorce rates are at their lowest levels since 1973. A key reason

is soaring property prices have made it too expensive to split up.

As a result, unhappy couples stay together but cheat to make life more interesting.

"He betrayed Drexel University and the tuition-paying students he was paid to educate."

Capital rocked by explosions

TWO pre-dawn explosions just minutes apart rocked Stockholm, damaging buildings and injuring one person.

Although explosives were used, authorities have ruled out terrorism.

Following the blasts at housing complexes on the Swedish capital's northwestern outskirts yesterday, 50 people were evacuated.

The explosions, which damaged balconies, windows, doors and the interiors of several apartments, took place just 500m apart.

Sweden in recent years has seen explosions and shootings linked to feuding criminal gangs.

Police did not link the blasts to gangs but also didn't explain why terrorism was ruled out.

They are now looking for video surveillance to use in an investigation.

AT the weekend our sister publication revealed that - in the minds of football fans at least - Sheffield United star Oli McBurnie has been linked with porn actress Elle Brooke.

The pair had shared a flirtatious Twitter exchange - and that was enough for fans to come up with the chant: "Oli's shagging Elle Brooke!"

Whether or not Oli and Elle have played the two-backed beast is not known, but anyone who has seen Elle swallow cock would not blame the lad.

But Oli is not the first celeb who has, one way or the other, been linked to a lady who makes some or all of their money by wearing very few clothes. From models to porn stars, babes who wear very little seem to attract the attentions of famous me. Who'd-a-thunk it?

Spunk stops flying when Pope visits!

THERE'S less flying spunk after the Pope visits town, boffins have found.

The presence of the Pontiff makes people have less unprotected sex, a study found.

Scientists, led by a team from the University of Sussex, found that couples have less unprotected sex when the Pope is in town to avoid having an abortion and breaking Catholic doctrine.

Even after the Pope leaves the area, his influence remains, as researchers found abortions plummeted by up to a fifth for as long as 14 months after a papal visit.

Because fewer abortions did not increase the birth rate, scientists believe the Pope's words must either increase the use of contraception to prevent pregnancy or inspire chastity.

Whenever the Pope referenced the 'unholy' procedure in his speeches, abortions fell by twice as much.

Vegans are a disaster for Brit farming

VEGANS are a disaster for British agriculture, a Tory MP has said.

Conservative MP Bill Wiggan said he has "an issue" with people wishing to move to a plant-based diet as it means that big pharmaceutical firms are "determining our diet".

He added that it is "not strictly true" that he does not like vegetarians, telling MPs: "One of the problems I face is this current trend away from eating meat."

"I think that is also a disaster for British agriculture."

"I did get stopped by someone who said 'Mr Wiggan, you don't like vegetarians' during the General Election."

"Well it's not strictly true, but I do have an issue with this desire to go to a plant-based diet because this means importing soya from Brazil and living with the big pharmaceutical firms determining our diet."

NAKED ATTRACTION PLAYS A BLINDER!

CHANNEL 4 bosses have had to sex up the audio commentary for blind and visually impaired fans of *Naked Attraction*.

They complained they were "missing out" on the action when the show – where a clothed person selects one contestant to date from six naked people – was originally broadcast.

Many moaned the voiceover commentary for the saucy programme was too mundane and not descriptive or explicit enough.

In series one of *Naked Attraction* in 2016, the visually impaired were treated to remarks like: "The pods rise revealing the men's genitals and the woman claps her hands", "she can see the bottom half of each man's body" and "the boys smile as she walks towards them in the nude".

Dramatic

However, the show, now in its fifth season, has made dramatic changes and the narrator's spiced his remarks up.

So they now include:

"His willy swings as he strides in completely starkers", "she gawps at the six penises which range from long and floppy to short and stubby" and "faced with an array of cocks, her mouth is open and she smiles with glee".

One blind viewer added: "I tweeted the show and begged for the descriptions to be a bit more X-rated so I can have a wank over the show, too. A few more 'minges' wouldn't go amiss."

LAG SWAPS SEX IN JAILBREAK BID

A CRAFTY con – dubbed a "Modern Day Houdini" because he's so adept at escaping – is pretending to be a WOMAN so he can get transferred to a lower-security nick, authorities fear.

Murderer Jamie Boulachanis recently "became a woman" – despite having his meat and two

veg – and under the law authorities must treat him as female.

But the real reason for his "transition" became clear when he demanded a transfer to a female jail from the high-security prison where he's being kept.

The case, to be heard at a court in Montreal, pits Boulachanis's rights to equality versus Correctional Service Canada's concerns for public safety.

But prison authorities argue that Boulachanis poses a serious risk of escaping and a threat to public safety if he gets out of the male lockup, where security is tighter.

"Her risk of escaping

is considered high, as is the risk to the public if she escapes. She requires a high degree of surveillance and control inside penitentiaries," prison bosses wrote when they challenged a Federal Court order that Boulachanis be moved to a women's penitentiary.

Boulachanis, 46, was convicted in December 2016 of killing 32-year-old Robert Tanguay.

Before his trial, his escape bids included managing to free himself from restraints on a prison transfer bus.

Then stunned guards

found Boulachanis had cut through bars on his cell window at Montreal Detention Centre and had a 36ft homemade rope made out of bedsheets on standby.

Boulachanis was sent to the Donnacona Institution in Quebec, a maximum-security federal penitentiary for men, where he discussed gender identity with a psychologist.

After being diagnosed with gender dysphoria, Boulachanis had her first name and designation of sex changed in her act of birth in October 2018.

Roadside flasher arrested in just a monkey mask

A MAN who stood nude at the side of a busy road wearing just a monkey face mask, did it for the 'adrenaline rush.'

A naked Jason Rouse, 43 (*above*), was caught as he stood on the road a number of times over the past few months.

Rouse, of Westfield, Indiana, was taken into custody after police investigated the latest sighting in Pine Township.

During their search, cops found a silver car that matched the description of one of the previous complaints.

Rouse, the driver, admitted standing outside his vehicle naked and told them he did so because 'for the adrenaline rush.'

He was arrested on a warrant from the case, police said, but it's unknown what he will be charged with.

A MARRIAGE MADE IN

HELL!

As love stories go, an infatuated woman marrying her pen pal has all the makings of a Hollywood romance. But when Kimberly Farr wed letter-writing lothario Carnell Petetan, he was serving a 20-year sentence for attempted murder. So it's hardly surprising that, just months after his release, Petetan gunned down his wife in cold blood in front of her own daughter...

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

WHEN Carnell Petetan first began appealing for a pen pal, he wrote a statement telling prospective 'friends' a little about his personality.

In it, he sounds like an individual fully aware of his chequered past who remains determined to make amends for his past wrongs.

He wrote: "Thanks for reading my ad. I hope and pray all is well with you. As for myself, I'm blessed. But, to be honest, kind of lonely, too."

"I'm in search of making some new friends. Looks don't matter. I just want someone I can share my thoughts with and vice-versa."

"I'm looking for strong-minded, English-speaking friends. Someone willing to be in my support mentally and emotionally if needed."

"I'm a real open-minded, easy-

to get-along-with person - and I know how to treat a friend. Try me."

What Petetan didn't mention was that, at the time of writing, he was doing a 20-year stretch - having been convicted of two brutal and bloody attempted murders, while inflicting another assault so devastating it left the victim in a coma.

Kimberly Farr, a mum-of-four from Waco, Texas, wasn't to know this.

She reached out to Petetan, now 41, from the goodness of her own heart, thinking she could use her life experiences to help him.

During their correspondence, Kimberly fell head-over-heels in love with her pen pal.

The pair eventually got married, by proxy, in 2010.

Petetan repaid Kimberly's

kindness by unleashing a flurry of bullets into her body while she tried to flee from a vicious assault.

When he was handed a death sentence at Waco's 19th State District Court in April 2014, prosecutor Abel Reyna praised the jury for handing out the ultimate sentence.

Reyna stated: "Today, Carnell Petetan Jr received the justice that was coming to him."

"It was the choices he made throughout his life, and the evil that exists within him, that earned him this death sentence."

Haunted

"Petetan is a maniacal, evil, deceitful, aggressive killer."

"Is he retarded? No. He's just evil."

"There is absolutely no remorse in the evil heart that beats in that beast."

"You are not taking a life. He forfeited his life through his actions. He has earned every bit of that death penalty."

But it was a statement read out by Kimberly's daughter, Allyson, that moved the courtroom to tears.

The poor youngster, then just nine, had watched in horror as her 41-year-old mother was murdered in front of her.

She will forever be haunted by what she saw that day.

Speaking to wannabe rap artist Petetan - who had tried to convince the jury he shouldn't be put to death due to his mental limitations - Allyson said: "I am Kimberly's youngest daughter."

"You took the most important person in this world who loved me."

"My mum will never see me get married or graduate."

"You would not like it if your stepdad killed

your mum right in front of you."

"And I know that you're not stupid. You could write songs and everything just fine."

"God knows the truth."

It was Greg Davis, first assistant criminal district attorney in McLennan County, who had convinced Allyson to testify against the man who slaughtered her mother.

Davis praised the young girl's bravery.

He said: "Allyson told me about their last day together - the church service, the lunch she and her mother picked up at McDonald's afterwards, the movies they rented on their way home."

"I let her go at her own pace. Her recall of that day's events seemed remarkable."

"She appeared to be reliving the moment as she told me how Petetan forced his way into the apartment."

"I could almost see the fear in her eyes as she told me how it felt to watch Petetan point a gun at her mother."

"When she began describing the moments leading up to her mother's death, she looked down and began crying."

"She cried as she told me how Petetan slammed her mother against the wall and then shot her as

she tried to run up the stairs."

"It was heartbreaking to hear her describe how her mother 'flopped like a fish' after she fell to floor."

Petetan's life had been marked by aggression from the beginning. His own mother, Ophelia Ortiz, described how, even as a toddler, he'd kicked a glass bottle in anger, shattering it into pieces.

As a young boy, Petetan became a chronic bedwetter, with Ophelia admitting: "I don't know if he has stopped yet."

"All his life he's been peeing on himself."

Tantrums

As a child, he couldn't tie his shoes, dress himself, take a bath or brush his teeth. He was schooled in special educational classes.

And as a teenager, he would throw temper tantrums as if he were a two-year-old who'd had his favourite toy taken from him.

He would often stomp around, crying and shaking his head so violently that he would physically vomit.

Petetan was just 10 when he started getting into trouble with the law.

He assaulted one teacher in a classroom and vandalised another teacher's car.

He broke a teenager's

jaw by repeatedly smashing him in the face with a metal chair. That assault left the boy in a coma.

Petetan was placed in the Brownwood State School, before being returned to Port Arthur on juvenile parole.

Then, aged 16, the criminality escalated.

In a random drive-by, he shot 79-year-old Victor Loeb for no apparent reason other than the sheer thrill of it.

Days later, he tried to murder his 'friend', Fredrick Nico, in a similar gun attack after a falling-out in his mother's back yard.

Petetan was certified to stand trial as an adult in both cases and was sentenced to 20 years for each in 1993.

The offending only continued on the inside – he assaulted several fellow inmates and correctional officers, both with and without weapons.

Many of those attacks appeared to be planned and premeditated.

Petetan severely beat a sleeping inmate about the head with a metal combination lock stuffed in a sock.

That attack was so vicious that officers who responded told how they would "never forget the smell of blood in the air".

Petetan also sexually assaulted at least three male inmates, sodomising one while holding a metal shank to his throat.

Authorities even

discovered a plot by Petetan to attempt to rape, torture, mutilate and murder a female correctional officer in front of her family.

Yet, despite all of this, Petetan was able to swap up to four letters a week with his new love, Kimberly, while they made plans to marry.

When he was eventually released in 2012, the pair were soon living together in her apartment.

Predictably, it was a marriage made in hell, not heaven.

Kimberly was a devoted mother, taking college classes to become a counsellor.

She wanted to help young women overcome problems related to addiction and abuse – problems she herself had experienced in the past.

Drugs

Petetan, however, was a streetwise hustler who quickly started dealing drugs out of Kimberly's apartment.

A series of rows escalated to the point where Petetan threatened Kimberly with a knife, telling her, "I could kill you, I could kill you. Do you want to die in front of Allyson tonight?"

He had also told his pal, Nichlos Lampkin, "Man, I'm going to kill that b****".

And on Sunday, September 23, 2012, shortly after Kimberly had left their marital home, taking Allyson with her and vowing to

divorce him, Petetan carried out his threat.

Greg Davis explained what happened next. He said: "There was a knock at the door and Kim went to see who it was."

"When she opened the door, she came face to face with her husband, Carnell Petetan Jr."

"She tried to close the door, but Petetan forced his way into the apartment and shut it behind him."

"He pulled out a pistol, pointed it at Kim and ordered her and Allyson into an upstairs bedroom."

"He demanded that Kim go to Port Arthur with him and retract a statement she had made to police about 10 days earlier."

"In that statement, Kim had told police how Petetan had thrown her into a wall in his Port Arthur apartment, pulled a knife on her and threatened to kill

her in front of Allyson."

"Kim asked Petetan for permission to take Allyson back upstairs so that she could use the bathroom."

"When he agreed, Kim took Allyson's hand and started toward the front of the apartment."

"But instead of the stairs, she quickly moved to the front door and attempted to open it."

Shot

"Petetan grabbed her, slammed her against a wall and pulled out his pistol again."

"Kim tried to retreat up the stairs but, as Allyson watched, Petetan shot Kim twice – once in the left leg and once in the right shoulder."

"The second shot penetrated both of Kim's lungs and her aorta."

"She staggered back down the stairs and fell

to the floor. She died before the first officers arrived at the scene."

"She was only 41 years old."

"She left behind not only Allyson, but three other adult children – Kristin, Tyler and Wesley."

The first responding officers discovered Kim's body, face down in a pool of blood.

Evil Petetan was apprehended by police just 90 minutes after the murder as he fled in his car.

Ever since that point, he has shown not one shred of remorse for his callous actions.

And now Kimberly's son has vowed to watch from the sidelines when justice is finally meted out.

Tyler Farr spat: "You're a monster. You got what you deserved."

"The next time I see you will be the last time you'll see anybody."

Brain eating cannibal is too bonkers for trial

GRISLY DEATH: Tammy Jo was butchered by Oberhansley

A CANNIBAL killer accused of butchering his ex-girlfriend before eating her brain has been ruled too MAD for trial – for a second time.

Jilted Joseph Oberhansley, 38, is said to have knifed Tammy Jo Blanton to death after breaking into her home and raping her.

He then used an electric jigsaw to open the 46-year-old's skull before feasting on her brain, which he fried with garlic.

He also allegedly ate part of her heart and a lung.

Police said Oberhansley confessed to the grisly 2014 crimes, including "cooking a section of brain and eating it", following his arrest in Jeffersonville, Indiana.

Rape

But in October 2017 Oberhansley, who called himself Zeus in court, was found mentally not competent to be tried on murder, rape and burglary charges.

A year later, a judge decided he WAS fit for trial after a doctor found his sanity had been restored at a loony bin.

But his trial was halted after a witness blabbed about

Oberhansley's prison past. It was due to re-start in February.

Now he has once again been ruled unfit to stand trial by a judge.

Oberhansley, who faced the death penalty if convicted, will be sent to a state hospital.

Mutilated Tammy Jo was found with parts of her skull removed under a camping tent draped over her bath in September 2014.

Cops also found a plate with what appeared to be "skull bone and blood" on it.

An autopsy revealed she died from multiple stab wounds.

Sick theme park bosses force terrified pig to BUNGEE JUMP

FLIED PORK: Pig was made to perform stunt for sickos

By COLIN HURST news@sundaysport.co.uk

A THEME park has triggered a wave of outrage on social media after it forced a pig to bungee jump off a 225-ft-high tower.

Video footage shows the pig tied to a pole then carried by two men to the top of the attraction before being pushed off.

The bosses of the theme park, in Chongqing, China, said the stunt was held to mark the opening of the new bungee attraction.

Local media outlets said the pig was sent to a slaughterhouse soon afterwards to be made into pork balls – a now expensive delicacy in the country since its pig population has been decimated by swine fever.

The stunt caused anger online, reflecting the growing importance of animal rights among China's population.

Back-peddalling theme park bosses have since put out a statement, saying that it accepted it screwed up.

It said: "We sincerely accept netizens' criticism and advice and apologise to the public."

"We will improve our marketing of the tourist site, to provide tourists with better services."

The incident took place on Saturday at the Meixin Red Wine Town

theme park. The event – which organisers called the Golden Pig Bungee Jump – was held to celebrate the opening of the attraction and for this weekend's Chinese New Year.

Eaten

The 165lb pig is seen in video being pushed squealing off the tower with a purple cape tied around its shoulders.

Animal cruelty is not punishable by law in China, a country where endangered rhinos are eaten by the thousand

to cure various sexual ailments.

Social media was soon full of condemnation, with one commenter saying: "Godless, godless bastards!"

Another said: "Killing animals for consumption and treating them cruelly for entertainment are two different things."

"There is no need to torture them like this."

Animal protectionists Peta called it "animal cruelty at its worst", adding: "Pigs experience pain and fear in the same ways that we do."

Dinner lady bonks pupil

A DINNER lady has been charged with rape after she admitted bonking a 17-year-old student at the school where she worked.

Cop say Celena White (above), 26, had sex with a lad on school grounds, during school hours more than once.

She was immediately sacked from her job at the Nicholas County High School in Carlisle, Kentucky.

A school insider said: "Talk about getting extra helpings at lunchtime!"

DEALER'S NABBED AFTER BREATHER

A MAN wanted for selling crystal meth tried to avoid arrest by holding his breath as he hid underwater in a pond while cops searched for him.

Daniel Booth, 36, was at work at a solar power plant but when a police officer turned up he made a run for it.

He ran to a pond and dived in, thinking he could evade arrest by hiding underwater.

But there was no escape from dog units the cops brought in and he was quickly tracked down.

Booth "didn't take into account he's not a fish and had to come up for air, and when he did was quickly captured", according to a police report in MacClenny, Florida, which also posted a photo showing a deputy

escorting a handcuffed and shirtless Booth out of a wooded area near the pond.

Court records show Booth has served time in nick for drug-related offences. In 2013, he was sentenced to 20 months in prison for selling meth and other related charges.

A police source said: "These drug dealers are gettin' dumber, I swear."

A CHEF has been jailed for performing “brazen and disgusting” sex acts on himself in front of women travelling on trains.

A court heard that Felipe Castillo-Parra (*above*), 26, felt more sorry for himself for being locked up than for the women, aged 20 to 22 years, who were “scared and disgusted” by his actions.

Castillo-Parra had been arrested in June last year and charged with committing indecent acts and wilful exposure in a public place over a period of seven months.

The Colombian-born offender had sat next to three of the victims and remained there while masturbating.

He was sentenced to a maximum 12 months, three months each for the acts of indecency against three women, and had a two-year bond imposed for the exposure at a court in Sydney, Australia.

The sick chef will be deported back to South America from Australia when his sentence is finished.

Dentist stood on hoverboard to pull a tooth

A DENTIST has been convicted on dozens of charges after he was filmed extracting a patient's tooth – as he stood on a **HOVERBOARD**.

Seth Lookhart was found guilty on 46 counts by a judge, who called the evidence presented during his trial "overwhelming."

A lawsuit filed by the state in 2017 charged Lookhart with “unlawful dental acts,” saying his patient care did not meet professional standards.

He was also charged with fraud for billing for procedures that were either unnecessary or not properly justified and theft of £15,000 from the authorities, the Superior Court in Anchorage, Alaska, heard.

Lookhart had pleaded not guilty on all counts and is expected to be sentenced on April 30.

IT MUST have been cold in the LA spa where hot model and celebrity daughter Ireland Baldwin was enjoying a a spot of relaxation – because her nipples were clearly proud as she posted sexy selfies on Instagram.

The 24-year-old blonde babe – whose mum is Kim Basinger and dad is Alec Baldwin – is never shy about revealing her body and frequently shows off her knockers.

We don't blame her – they're a mazing!

Videos uploaded to XXX website Pornhub, court told

A TEACHER has been jailed for performing sex acts with a dildo on an underage girl, filming the romps which were then uploaded to the world's biggest porn website.

Judge Jeffrey Finigan said Dawn Giannini's case was one of the worst he's seen.

He said during sentencing that he did not accept Giannini's claim that she didn't understand that what she was doing was wrong.

By GRACE HOOPER
news@sundaysport.co.uk

Giannini said she was sorry for what she did and understood she had torn her family apart.

Giannini, of Redwood City, California, was charged with 19 felonies related to the sex toy acts with the teen.

Penetrated

The 50-year-old has pleaded "no contest" to four of those charges.

The case came to light last year when a classmate of the victim saw the videos on Pornhub and reported them to the Redwood City High School principal.

Investigators say the teenage victim uploaded the videos of her being penetrated with a dildo

THE WORLD FAMOUS AGONY Page

Dear Lexi,

MY mate's girlfriend is a stunna and I've been shagging her for the last few months.

It started when my mate was working away from home and I saw his girl in the local pub. I bought her a drink and we got chatting and we ended up going back to her place.

There she told me that she hates it when my mate works away from home because she needs to have sex every day.

She then took off her kit, got my cock out and sucked me off. After she swallowed my spunk I licked her out and then boned her from behind on the couch.

It was brilliant grabbing hold of her massive tits before spunking again.

I now shag her when my mate is away, which is usually a couple of days a week. But she now wants to finish with him and move in with me. I'm tempted, what should I do?

FT, Essex

Lexi says...

IF that's what you both want, then why not? You'll lose your mate, though.

Dear Lexi,

I'M a 33-year-old bachelor and I have been dating a pleasure-loving blonde divorcee for a few months.

I told her I have a fetish for ladies in leather and, to my surprise, the next weekend she turned up at my flat in a tight leather mini-dress and matching knee-length boots.

She got out some lengths of cord and tied me up, then whipped off her lacy panties and stuffed them in my mouth.

Then she pulled out my throbbing cock and guided it inside her.

Within a minute or so, I came. I apologised but she said not to worry as, with experience, I would be able to hold out for much longer.

It turned out she had been into bondage for many years, but hadn't said anything in case it put me off.

RD, Norfolk

Lexi says...

LUCKY you - it looks like a whole new world of sex has opened up for you.

Wife rolled back years with loo sex at cinema

Dear Lexi,

MY wife insisted we see a new romantic movie. I wasn't too keen but she said I'd enjoy it once I got there - and she was right!

She bought some popcorn and led me to the back row of the cinema.

It reminded me of the old days, when we were just dating, and we'd always enjoy a bit of a fumble on the back row.

After the movie had started, she took my hand and slipped it up her short skirt.

She wasn't wearing any knickers and had been wearing her vibrating love-balls.

She was dripping wet and I soon got to work frigging her off. Once she had orgasmed, she

stuck her hand down my pants and started to wank me off.

Then she grabbed my hand and led me to the loos.

She pushed me to the floor, yanked up her skirt and roughly bobbed herself up and down on my cock.

She was like an animal as she pushed herself up and down on my shaft.

I didn't know what had come over her - but it felt amazing to be having such animalistic sex!

She later said it was the slushy movie that got her going.

Do you think this is normal?

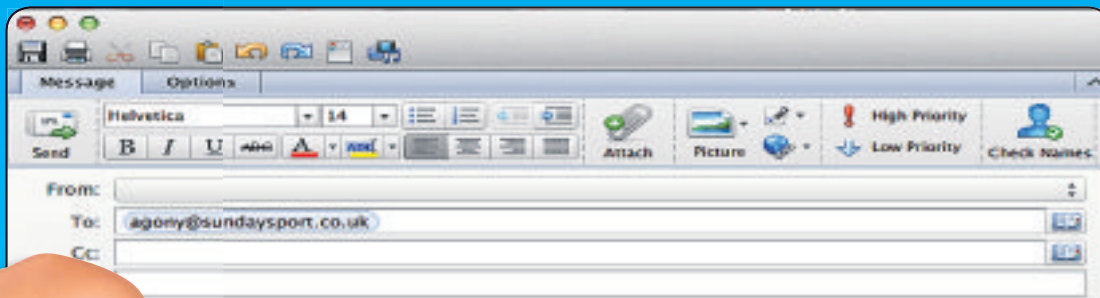

JR, Cheshire

Lexi says...

YES - slushy films make me randy too.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week LEXI LOWE has been reading through your letters. And here's her advice for you...

I'm hooked on gorgeous girlfriend's mega boobs

Dear Lexi,

MY latest girlfriend is an absolute stunna – she's 25, blonde and has fantastic 36DD breasts.

We met while I was on a night out with the lads in a nightclub.

After a couple of smooches at the end of the night, I persuaded her to come back to my flat.

We had a couple more drinks and then we started getting heavy on the sofa. Soon we were both naked and I almost fainted when I gazed at her mouth-watering tits.

It wasn't long before I was sucking on one of her ripe pink nipples as she played with my hard dick.

Then, once we were both aroused, I got her on all fours on the carpet and thrust into her from behind.

Before long she was howling in delight, but I'm ashamed to say that I climaxed rather too soon.

However, she quickly went down on me and I was soon rigid again and raring to go.

This time she lay on her back and put her legs on two stools, allowing me to get

deep penetration, and we were off again.

After a while she got me to sit on her tummy, as she cupped my erect knob between her giant boobs and squeezed them together.

As she did so I began to push in and out and I was soon on the verge of shooting my load again.

I only just managed to pull myself away before spurting my love-juice over those gorgeous breasts.

Now I shag her boobs at least four times in every session.

In fact, I'd rather screw her tits than her fanny and she's happy for me to do this.

But do you think we're a bit odd?
BW, south London

Lexi says...

NOT in the least. If you're both happy, then go for it.

Dear Lexi,

I AM a married 21-year-old woman and I met my boyfriend when I was just 16. I've never slept with another man and he's never been with another woman.

I really love him and enjoy our sex life, but I want to experiment a bit more and have a fantasy about trying anal with my man.

But I am scared to ask my husband in case he thinks I've gone all kinky.

How do you broach a subject like this with him?

GK, Tyneside

Lexi says...

JUST ask him straight. Most men love it and I think he'll go for it.

Dear Lexi,

LAST month I splashed out on a new smartphone for the missus, as it was her birthday.

She was chuffed to bits with it and was very appreciative later that night – sucking me off to completion and even taking a short video of herself noshing me off on her new handset.

Then I noticed she was taking it with her wherever she went, including her regular hour-long soaks in the bathroom.

But I became a bit concerned when she began getting me to ring her from the landline.

Then one evening last week she went up for another long bath – and after a few minutes shouted out for me to ring her again.

I did so and, as usual, she didn't answer but left it ringing for ages and ages.

So I crept upstairs and found the door ajar and when I peeped in I saw her with the handset up her chuff!

She was using the phone on "vibrate" and had turned it onto silent mode, with no ringtone, to frig herself.

I'm not too bothered about that, but won't all her juices affect the device?

What should I do?

TG, west Yorkshire

Lexi says...

BUY her a vibrator!

I get cash and cock from 'quiet' lodger

Dear Lexi,

MY hubby and I are struggling to make ends meet, so we decided to raise extra cash by taking in a lodger.

The bloke was fairly quiet and everything went well until one morning after my husband had gone to work and the lodger was having a lie-in on his day off.

I passed his bedroom and saw him lying naked on his bed with his big cock in his hand.

I was transfixed and must have let the door swing open a bit more because he looked up. But instead of being embarrassed, he held my gaze.

As if in a dream I went into the room, sat on the bed and grabbed his manhood. There were no words spoken as I slowly bent over and took his magnificent member deep down my throat.

As his balls began to tighten I eased up, slipped off my dressing gown and lay down naked next to him.

Rubbing

He parted my love-lips and gently inserted two fingers while rubbing my clit with his thumb.

After a few minutes I was on the edge of orgasm so I reached down, grabbed his huge knob and guided it into me.

There was still not a word said as I rode him until he finally emptied his juice deep inside me.

I dressed and left him there and even when he eventually came down we said nothing about it.

Now he waits deliberately until my husband has gone to work and lies in his room until I go to him.

Do you think I am just using him?

LV, east Midlands

Lexi says...

YES... but I doubt he's complaining about it!

'I love glam girls with big hair, big bums, big boobs... big everything!'

#MY SEX FANTASY

**...WITH
EPIPHANY
AGE 27

FROM
CHESTER**

I'M completely straight, but have long popped into my sexual fantasies.

The occasional hot girl in a bar has caught my eye and I get turned on by female porn stars.

So I would definitely be up for experimenting!

I love glam girls with big hair, big bums, big boobs... big everything!

I reckon most women are curious about what it's like to be with someone who really knows the female body.

I imagine it will be soft and sensual and we really take our time building up the pleasure.

I fantasise about getting licked out really amazingly by a girl who knows exactly what she's doing with her tongue.

I just love boobs and nipples—I reckon once I get my hands on some I could play with them all day!

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

LAUREN LACOLE

WANNABE author Fredrick Grant spends his days penning short stories but took time out to email in asking for a sexy snap of Lauren Lacole.

Fredrick, 65, from Richmond, London, loves 25-year-old Lauren's wavy hair but appreciates her womanly curves much more.

He takes regular breaks to read the *Sport* and thinks of Lauren, from Belfast, when he needs inspiration for a saucy tale.

Fredrick said: "Could I please have a photo of Lauren with her 32Ds on show, she's a real gem."

DANNI FERNANDEZ

LOCKSMITH Timothy Spellar reckons the bigger the better when it comes to boobs – which is why Danni Fernandez is his favourite.

Timothy, 47, from Newcastle, penned a letter to the *Sport* asking for a pic of 28-year-old mega-boobed Danni, from Twickenham.

He said: "I do love boobs. I don't know any man who'd turn down a woman with a good pair of boobs, the bigger the better for me."

"Danni is a stunning girl but I'm not going to lie, it's definitely her 36DD norks which catch my eye. I could stare at them for days."

MARINA VISCONTI

BUILDER Tony Lochlan emailed in wanting a photo of sexy Marina to show all his work pals just how much of a babe she really is.

Tony, 34, from Carlisle, said none of his colleagues understand his obsession with 26-year-old Marina, from Leeds.

And he wants to show them what they're missing by taking

a photo of her onto site.

He said: "They'll not stop ribbing me about fancying her until I show them a good photo of her."

"The sexiest photo you've got please – ideally with her 34E boobs looking sensational."

Here you go Tony, we reckon this stocking-clad snap will shut your workmates right up!

11/4 REDS TO MATCH INVINCIBLES

RECORDS continue to fall for runaway Premier League leaders Liverpool. After their 2-0 win against Manchester United on Sunday the Reds have now taken 91 out of the last 93 points available, have become the first side to score in their first 22 league games of the season since Arsenal in the 2001-02 season and have kept seven successive clean sheets in the league!

Their extraordinary run will surely come to end soon – or will it? Jürgen Klopp's side travel to Molineux tomorrow in what promises to be a cracker with Wolves coming back from two-down to beat Southampton at St Mary's on Saturday.

Wolves were, arguably, unlucky not to come away from Anfield with a point last month but such is the confidence and aura surrounding Liverpool at present that it would appear folly to oppose them. The Reds are 3/5 with BetVictor to keep all three points with the draw 29/10 and Wolves at 19/4.

BetVictor Liverpool specials

Liverpool to get 100 points or more 4/6
Liverpool to score 100 or more goals 7/4
Liverpool to go unbeaten in the PL this season 11/4
Liverpool to get 105 points or more 4/1
Liverpool to win the PL & Champions League 9/2
To win every PL game till end of the season 50/1

At those prices the 11/4 to go unbeaten makes plenty of appeal. Yes, they must still go to the Etihad, but I would argue that tomorrow's clash at Molineux is the second most difficult game they have although trips to Arsenal and Everton may also be stiff examinations but tests, I would expect them to pass.

Remember this is not to win every game but to remain unbeaten in the league. City entertain Liverpool on the weekend of the 4th April with the 1st legs of the Champions League quarter-finals on the following Tuesday and Wednesday.

Both sides are likely to still be in the competition and, who knows, they could be drawn to play each other in the last eight.

This is an outstanding Liverpool squad and 11/4 for the team to go unbeaten certainly catches my eye – although Wolves will provide a stern test.

I think tonight's visit of West Ham to the King Power is a big game for Leicester City who have gone off the boil in recent games. Jamie Vardy was on fire before Christmas, but one goal in seven in all competitions and a missed penalty at Turf Moor on Sunday is symptomatic of the Foxes' downturn in fortunes.

West Ham are 5/1 at BetVictor to take all three points with the hosts 8/15 and the draw at 10/3. The Foxes are still 1/8 at BetVictor to end the season in the top four but that is because of the inadequacies of the chasing pack rather than the good form of Brendan Rodgers' side.

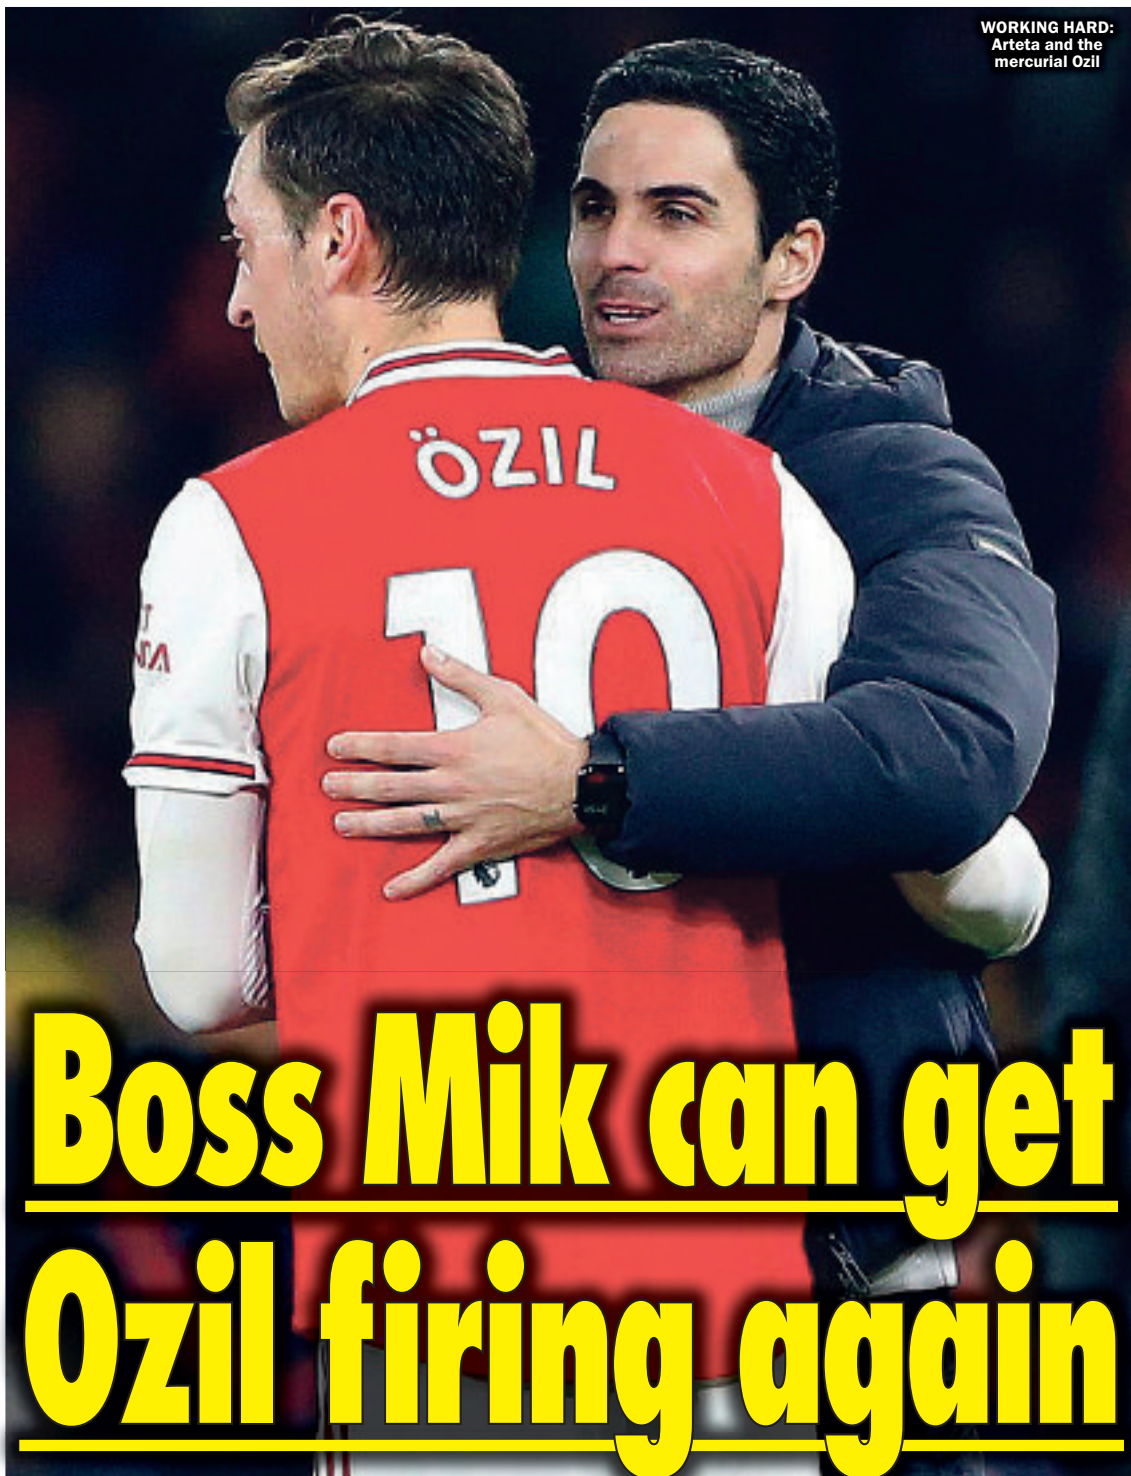

West Ham are 6/4 at BetVictor in the double chance market – to either draw or win – and I think they can get a positive result in the east Midlands.

WORKING HARD:
Arteta and the
mercurial Ozil

Boss Mik can get Ozil firing again

MUSTAFI: MESUT CAN STILL SHINE FOR GAFFER

MESUT Ozil can bounce back under Mikel Arteta.

That's the view of Shkodran Mustafi who thinks the new Arsenal gaffer will bring the best out of the moody German playmaker.

The Gunners are short of real goal threats and Ozil offers something other players at the club are lacking – real skill and flair.

But it's a long time since he delivered anything like what he's capable of on a regular basis.

Unai Emery seemed to give up and benched Ozil after trying everything – including handing over the captain's armband.

The fact that Arteta was

By PAUL THOMAS

also a flair player means he'll understand how best to use his talisman. That's what defender Mustafi thinks anyway.

He has played alongside him for Germany as well as Arsenal and is a massive fan of his talents.

Mustafi said: "Mesut is a good friend of mine and I know him very well."

"I knew him before his time at Arsenal and I know what he is capable of. For him, and a lot of other players, the change that we had with the boss helped him a lot, as it helped a lot of other players."

"When the team is perform-

ing well, it is easier when everyone knows how we want to play."

"You can focus on your job and you don't have to care about a lot of other things because everyone is doing their job and knows what to do. You can focus on yourself."

"For him, now, because we want to play football, we want to play attacking football, it suits him."

"He enjoys himself and when he is playing like he has in the last few games it helps the team."

Arsenal haven't set the world alight since Arteta took over from Freddie Ljungberg but at least they have stopped losing.

But wins have been hard to

come by too and they drew against Sheffield United at the weekend.

Mustafi insists there is time to turn their season around.

He said: "We have a lot of games still to go this season and we just need to go from game to game."

"From the beginning of the season you have everything in your hands because everyone starts with zero points."

"But at the moment we do not have everything in our hands."

"When you are first or second, you want to look at the table – and you enjoy looking at it – but at the moment it is not important to look at the table."

CARRY ON BUS PARKING

Toby sure of Mourinho's boring tactics

PARKING the bus is the right thing for Tottenham to do says Toby Alderweireld.

The big centre-back sprung to the defence of boss Jose Mourinho who is coping stick for his negative tactics. Spurs fans aren't used to watching defensive football — and it's not even bringing good results.

They bored Liverpool to death but still copped a 1-0 defeat and Watford were a missed penalty away from winning the weekend London derby.

But Alderweireld thinks Mourinho has got it right and Tottenham are beginning to adapt to his back foot methods.

He said: "In the Liverpool game, I think we defended very well. Saturday, in a difficult moment we defended very well and a clean sheet, the first one in a while, so we're going in the right direction.

"If you see the last three games, we're improving and that's the way to go. If we work like this, play like this, I think the three points will start coming."

Many Tottenham fans will point out that their team scored no goals and picked up just one point from those games.

But Alderweireld isn't bothered and has heaped praise on his team-

By JOHN ANTHONY

mates. He has been particularly impressed by young stopper Japhet Tanganga who started his third match on the spin against the Hornets.

It was a good effort seeing as he was asked to play in an unfamiliar left-back role.

Alderweireld said: "He's played three good games and Saturday on a yellow card quite quickly and a difficult opponent, so that's not easy, but I think he handled it very well."

To be fair to Mourinho, key striker Harry Kane is crooked which means he's got to rely on Lucas Moura and Heung-min Son for his firepower.

Brazilian Lucas is growing increasingly frustrated with his lack of form in front of goal.

Chances

The 27-year-old has never established himself since moving to London from PSG two Januarys ago for £25m.

He has scored a respectable 22 goals in 88 outings for Spurs, with many of them coming on as sub.

But his return of four in 21 Premier League matches this season is far from impressive.

He is scoreless in six and missed a couple of good chances against Watford.

Lucas said: "It happens. What can I say? I need to keep on working and wait for the next game."

"For sure, I want to score, I work to score and I try to score every time, but for me the most important thing is to win games."

"We know that we don't have a player like Harry Kane, he's the only real striker in the squad. When I play in this position, I try to do my best and try to give the team my characteristics."

"I think everyone is trying to score and to win games."

GETTING STUCK IN:
Alderweireld

DEAL ME IN: Werner

Red-hot Werner keen to Kop deal

GERMAN forward Timo Werner is desperate to sign for Liverpool.

The RB Leipzig hitman has a release clause of around £50m in his contract that has another three years to run.

That's not a massive fee for the 23-year-old who is one of the hottest properties in the Bundesliga.

He can play anywhere across the frontline and has knocked in 80 goals in just 140 appearances for his club side.

Reds boss Jurgen Klopp is an admirer and knows he'll be without Mo Salah and Sadio Mane for five key weeks next season as they play in the African Nations Cup.

He has already brought in cut-price Takumi Minamino and wants more competition for places in attack.

Reports in Germany suggest that Werner is also attracting interest from Chelsea but Liverpool is his No1 choice.

If Klopp knows that he may wait until the summer to make his move but may be forced to act now if the Londoners launch a bid this month.

Liverpool would be willing to secure Werner's signature and allow him to return to Leipzig until the end of the season although the release clause means they don't have to do that.

No Can do for Ancelotti

EVERTON manager Carlo Ancelotti has poured cold water on stories linking Emre Can with a move to Goodison.

The former Liverpool midfielder has been frozen out by Juventus and is available this month.

But Ancelotti says he isn't interested in the German international.

He added: "I think I said at the last press conference we had that all the names that were on the newspaper were wrong."

"I can say the same today. They're wrong. All the names on the newspaper are wrong."

"I am talking every day with Marcel and we are looking for some targets that we have, some players."

"But I don't want to say what we need."

EAGLES STILL LOOKING DOWN

JORDAN Ayew says Crystal Palace are still worried about the drop — despite their draw at Manchester City.

The Eagles stunned the champions by going in front at the Etihad — and then equalising after their hosts banged in two quick goals.

Palace are now on the verge of the top six but all Ayew cares about is staying up.

The striker said: "The most important thing for us is to get to 40 points."

"The performance at City is a positive for the club and all the

By MARK NAYLOR

players. It can give the whole squad a lift."

Ayew's thoughts are echoed by boss Roy Hodgson who thinks the battle for survival this season will be tighter than ever.

He said: "I don't know that anyone is really cut adrift, Watford have proved that."

"If you can go from eight points from whatever number of games to out of the relegation zone, no one is cut adrift."

"I think all the teams down

there are capable of staying in the League, and all of us who are above them would be well advised to be wary that we don't get sucked into it."

"Am I comfortable? No. Do I fear relegation? Yes."

Palace are trying to get some business done before the transfer window closes next week.

Striker Christian Benteke is looking for a move out of the club while Hodgson is trying to bring in Kyle Walker-Peters from Tottenham.

Palace are looking for a right-

back having never replaced Aaron Wan-Bissaka who signed for Manchester United in the summer.

The Eagles have been trying to sign Walker-Peters since then and could get him on loan.

Hodgson said: "There was initial contact I think between the clubs and the suggestion was made and one I was behind."

"It would have been a good move for us I think, but as far as I know nothing is happening and I'm not sure what Tottenham's intention with Kyle Walker-Peters is."

FRANK'S ED BOY

Lampard launches Cavani bid

EDISON Cavani is top of Chelsea's January shopping list.

Bridge boss Frank Lampard is refusing to rule out a move for the PSG striker this month.

The 32-year-old is

By JOHN ANTHONY

not the force he was but still has a respectable five goals in 14 games for the French giants this season.

He has been stuck on the bench and has handed in a transfer request. Lampard said:

"He's a great player, I played against him and I always loved his mentality and attitude, and obviously his goal scoring record speaks for itself."

"The idea of bringing in experience is something I'm not looking away from. Sometimes

the young players need a little bit of help, and if that's the case then that may help us."

Reports in France suggest that Chelsea have already held talks with Cavani and a bid of around £10m is expected to follow in the next few days.
